Mr. Dock Jenkins,
2314 E. Pettigrew St.,
East Durham, N. C.

Dear Mr. Jenkins:

I am in receipt of your letter of August 19th asking if the Eagles could return to Durham during September.

In looking over the schedule, I see we are playing the N. Y. Cubans in Norfolk Aug. 30th and the Baltimore Elites in Baltimore Sept. 4th. If I can arrange to stay in that neighborhood for the days in between, I will come to Durham, if we can get together. First of all, it will be necessary to play two days in Durham, the first day, Sept. 2nd two Negro National League teams the Newark Eagles and Cuban Stars, and the next day the Eagles would play the Red Caps. If there is some nearby town in which the Eagles and Cubans could play, we could work on playing this game there. We will play the Red Caps in Durham September 3rd for 50% of the gross, if you will charge 55¢ admission and 75¢ boxes, we cannot afford to play any cheaper baseball.

If you are interested in this proposition wire me immediately, so I will know how to arrange my schedule.

Very truly yours,
